D. Grievance redressal mechanism for faculty, staff and students

System for Redressal of grievances of faculty, staff and students:

- The management of the college follows an open system of administration and grievances from staff and students are given the utmost attention.
- Complaints and suggestion boxes are kept at a number of places in the campus and also in the hostels.
- The suggestions and complaints are carefully looked into and remedial measures undertaken. Responses are also publicized through notice boards.
- In case of indiscipline, a committee appointed by the principal enquires into the matter by calling witnesses and recommendations are made about the action to be taken by the management.
- Grievances regarding the staff in terms of salary, promotions etc., are carefully looked into by the HR department in consultation with the Principal and remedial measures taken.

- Class Committee meetings are held in which grievances of students are taken note of and remedial measures taken.
- Head of the Concerned Department, looks into the welfare of the students and advises the management for necessary action.

Departments Information:

➤ [Civil Engineering](#)

The civil engineering department was established in the year 1994. The department is having Qualified and Dedicated staff members in the diversified field of specialization. The department offers electives in advanced subjects.

It has infrastructural facilities for carrying out various tests on all building materials, Soil and Waters samples. As an exemplary center, the department offers extensive consultancy services like topographical survey including contouring, analysis, and design of concrete and

steel structures, Water sample analysis and building materials testing for many private, state and central government organizations.

➤ [Computer Engineering](#)

The Department of Computer Engineering was formed with the primary objective of providing world-class education in the field of Information Technology while addressing the problems of today and tomorrow. One of the first departments in the Union Territory of Dadra & Nagar Haveli to offer a Diploma in Computer Engineering. Right from its inception, the Department has been offering excellent infrastructural facilities with a variety of computing platforms to aspiring professional students to meet the burgeoning demands of the IT industry. The department endeavors to produce confident professionals tuned to a real-time working environment. The department offers an excellent academic environment with a team of highly qualified faculty members to inspire the students to develop their technical skills and inculcate the spirit of teamwork in them. The strength of the department lies in the highly motivated students who understand the dynamics of the industry and hone their skills accordingly. The students of the department get placed in premier companies and go on to attain prestigious positions after achieving their Degree Course.

➤ [Electrical Engineering](#)

The Electrical department has won the pride of place in this institution by its stellar performance over the years, since its inception. Value-based education laced with enviable ethical and moral standards has provided the right environment to create and leave a legacy of human assets, to steep our nation in pride and to attract the Companies to make a beeline to rope in our talents.

The faculty has been consistently striving to offer conceptual clarity, to make the students to be truly innovative and to orient their practical skill sets to live up to their dreams of an engineer in action. The abundantly proficient teaching fold and the state-of-the-art laboratory facilities are the value additions of this department which offer excellent academic ambiance to excel professionally.

➤ [Electronics and Communication Engineering](#)

The ECE Department of Dr. B.B.A.Govt. Polytechnic has consistently served as the genesis of engineers of excellent caliber in the field of Electronics and Communication Engineering for more than a decade. It proudly savors the reputation of being one of the best in shaping the students for the field they are going to serve. As being one of the oldest Technical institutions in this region, students of this ECE branch became entrepreneurs - the vivid reason being the splendid knowledge that the students are imparted with all facilities.

➤ [Information Technology](#)

The department of Information Technology was formed with the primary objective of providing world-class education in the field of Information Technology while addressing the problems of today and tomorrow. One of the first departments in the Union Territory of Dadra & Nagar Haveli to offer a Diploma in Information Technology. Right from its

inception, the Department has been offering excellent infrastructural facilities with a variety of computing platforms to aspiring professional students to meet the burgeoning demands of the IT industry.

The department endeavors to produce confident professionals tuned to a real-time working environment. The department offers an excellent academic environment with a team of highly qualified faculty members to inspire the students to develop their technical skills and inculcate the spirit of teamwork in them. The strength of the department lies in the highly motivated students who understand the dynamics of the industry and hone their skills accordingly. The students of the department get placed in premier companies and go on to attain prestigious positions after achieving their Degree Course.

The Department of Information Technology, with its dedicated body of well-qualified faculty, technical staff, and students, is committed to being a center of excellence in Information Technology through education and research.

➤ Mechanical Engineering

The Department of Mechanical engineering from the day of its inception has been taking long strides in the field of science and Engineering. One of the oldest and active departments anticipated the rapid developments in technology and software and provided the most sophisticated laboratory facilities & excellent infrastructure. The department has well qualified dedicated enthusiastic teaching & technical staffs.

It is a discipline that finds wide scope in emerging areas like CAD, CAM, CIM, Robotics, Mechatronics, and Renewable Energy etc. The Department is provided with state-of-the-art laboratories and workshops. The Department organizes a number of workshops, seminars, conferences (university, state, and national level) every year. The students in our department have good communication and Interpersonal skills. Their thoughts and creativity have yielded them to achieve their Goal.

➤ Textile Manufacturing Technology

This Diploma Engineering Course is started in the year 2017-18 at Dr. B.B.A. Govt. Polytechnic, Dadra & Nagar Haveli. Diploma in Textile Manufacturing Technology program is 3 years long. The academic program is divided into 6 semesters, with each semester lasting for a period of 6 months. Evaluation is carried out at the end of each semester.

- Textile Manufacturing Technology is a branch of engineering that focuses on using principles of engineering, chemistry and textile processes in the process of textile manufacturing.
- Textile manufacturing involves different textile processes, equipment, chemicals, and other raw materials. Textile engineering covers all of those aspects.
- It uses the above-mentioned principles to boost textile manufacturing productivity and quality. The field also covers research and development topics, relevant to the field of textile manufacturing.

➤ CLASSROOMS

For 07 Diploma courses there are 20 well equipped classrooms, 04 drawing halls and laboratories as per syllabus of Gujarat Technological University (GTU), Ahmedabad. The other facilities for Academic activities are:

- Students are made to realise their potential for self-development so as to become better persons in terms of physical, emotional, intellectual, aesthetic and moral well-being and character.
- The soul of college life is the fraternities on the campus – the clubs, Groups that become a surrogate family for a student, helping him/her grow and explore latent talents in fields other than academics.
- **GTU Innovation Club**: for Innovative projects in IDP/UDP
- **Industry academia collaboration**:-
- Dr.B.B.A.Govt.Polytechnic has been surrounded by Industries. Dadra & Nagar Haveli is a HUB for MSME 's and Industries like Gulf oil, Reliance Industries, Alok Industries, yarn manufacturing Units, in total of about 3000 in numbers. Therefore there is a very good coordination between Industries and Institution.
- Dr.B.B.A.Govt.Polytechnic has made MOU's with Industries for training, placement and Student projects as per AICTE norms.
-

➤ Library

- Institution has a good and furnished Library having capacity of 300 students for reading purpose. Total Carpet area is more than 400sq. meter with computerized entries. The library has more than 20,000 books and 05 subscribed journals (hardcopy). Institution has lifetime subscription of Institution of Engineers for all the subjects of Engineering with more than 18 e-journals.

➤

➤ Auditorium

- The Institution has a newly constructed Multipurpose hall of about 300 capacity for different Cultural Activities with Audio visual theatre facility.

-
- Seminar & Conference Halls
 - Institution has a Seminar Hall of 100 students capacity for Visiting Experts classes, Seminars. Also Institution has a Conference Hall for Meetings.
 -
- Sports Facility
 - Institution has a Newly constructed Sports complex with Indoor Stadiums, Yoga room, Gymnasium etc for Physical and Mental Health of Students.
- Buildings
- Institute has College Main Building, Workshop, Sports Complex, Auditorium cum Multipurpose Hall, Boys Hostel, College Mess and Canteen Buildings spread over 28 Acres of land in the campus. All the Departmental class rooms and laboratories situated in the main Building, except Mechanical Engineering Laboratories.
- Hostel
 - Institution has a Boys Hostel of 90 Capacity for out state Students.
 - During COVID SOP is followed in the Hostel.
- Medical Facility: Institution has a Medical room, where students are given first aid and Doctors of nearby CHC, Rakholi make visits for Students vaccination, RTPCR test etc.
- Placement Training
 - Institution has a very Good Training placement team having Chief Training & Placement Officer, Departmental Placement Officers for well coordination .
 - Cafeteria:
 - Institution has a Canteen which provides Nutricious food, Tea, Coffee and snacks.
- Transport Facility

The Day scholars travels to Institution through Sarathi Buses provided by U.T. Administration with Bus Passes (50% concession in fees). For Study visit Buses from OI DC/Transport Department are requested.
- Academic Facility:

Students are facilitated with Good Library,e-Library and Internet facility.Smart Classrooms and well equipped laboratories help students excel in Academics..

. Counselling / Monitoring

Counseling / Monitoring	- Regular Counseling for students by faculty advisors once every week
Career Counseling	Done during faculty advising regularly and also by department - Placement coordinators
Medical facilities	- A Medical Room is provided in the Institute and Hostel equipped with a doctor & team. In addition to that we have nearby CHC,Rakholi.
Student Insurance	- All Students are covered under Insurance Scheme with United India Group Insurance.
Sum assured	- Rs. 50,000/- for student who dies in accident Rs. 10,000/- for Hospitalization and Medical Expense.
